

BROWNIECAT

in "The Beast in the Woods"

Evening, readers! I'm a night owl, so camping under the stars is my favourite!

Just popping off for a midnight stroll!!

IT WAS VERY DARK...

...and in these woods lives the BEAST with the glowing eyes!

Ooh, I love a good story!

AAARGH!

WHERE?! WHERE'S THE BEAST?!

ZOOM!

CLICK!

It's only Browniecat!

Phew! I thought it was the Beast!

LATER...

Sorry for the fright!

There! Now we can see you!

Ah. Now EVERYONE can see me.

FLUTTER!
