

WAFFLECAT

in "The Waffle Spa"

Morning, readers! Lovely day for sitting in the garden. I'm sure that cloud is nothing.

Oh, drizzle. How very British.

PLINK! PLONK!

Ooh! I'm full of puddles!

SPLISH!

FIVE MINUTES LATER...

Hee hee! That tickles!

Sorry, duck! One bird per square!

QUACK!

SPLOOSH!

Ahh, sunshine! Nice and crisp again.

THEN...

Aww, a tip! Thank you!

Why are there birds all over you?

I've opened a spa!

THE NEXT DAY...

Ooh, rain! Time to open up!
